Scholarship STAY!
for female post-docs – Call for Application

In the course of strategic planning, the Albert-Ludwigs-University Freiburg aims at promoting young female post-docs in their scientific career.

The Albert-Ludwigs-University Freiburg and the New Freiburg University Foundation now grant three STAY! Scholarships starting on June 1st 2014. The scholarship of the University is sponsored by Alumni Freiburg e.V.

The scholarship STAY! will be granted as 6 + 6 months scholarship to three female post-docs who decided to continue their academic career but who could not yet ensure follow-up financing. The PhD should normally date back no more than 12 months.

Thus, talented female scientists shall be given the essential freedom to compose an exposé for a project or habilitation dissertation (6 months) and subsequently apply for suitable positions in projects or research scholarships, respectively habilitation scholarships (+ 6 months).

The STAY! scholarship is principally granted as full scholarship. The duration of the scholarship thus lasts maximally 12 months with a monthly sum of € 1,300, and an additional € 200 per child.

More information and directions for the application can be found at the following website www.gleichstellung.uni-freiburg.de.
